There are sixteen portraits of the fair and patriotic daughters of the South in the April number of The Delineator. The article that they illustrate deals with "The Patriotic Work of Southern Women." A chewing gum stand at the entrance to the Lexington opera house would prove a gold mine to the owner, provided all who used the article would buy their supply from this stand. Last Saturday afternoon the house was crowded with girls, mostly of the "Te-He" age. Almost every jowl in the house was wagging with untiring energy. Occasionally they would all work simultaneously, and at one time most of them wagged in perfect time with the orchestra. It must be amusing to actors to see every jaw in the audience working up and down like the treadle of a sewing machine.

RECORD.

Dear Record:—Having neglected writing so long, I feel most awkward as a boy writing his first letter, but will not be so neglectful any more. I have been here now 18 months and the more I know the people here the better I like them. Rockcastle county, in connection with her good people, has some very good land and some lying almost flat. But the majority is hanging and standing. Two rail roads run through the county intersecting at Livingston the terminus of the K. C. branch of the L. & N.

Our town is a typical mountain town of about 800 inhabitants, 3 churches, 11 stores, 2 black smith shops, saw and grist mill. Hon. R. G. Williams is county judge, McMiller county clerk, J. I. Griffin circuit clerk, Henry Catran sheriff and George Griffin jailer. Owing to the fact that circuit court has just closed I believe our jailor now has the largest family of any of the county officers. We can discount Lancaster for lawyers, having them in abundance from 80 years old to young ones.

There has only been five killings in the county since I came here. The most noted case on our criminal docket now is the E. K. Wilson murder case transferred from Laurel county here on charge of Venue. What has become of Paint Lick's correspondent? also Wallace only wakes up about once in three months. While I am very well satisfied with my new home I never shall forget the many kindness of my friends at Paint Lick. May they live long and prosper and have many fine fox chases. W. F. Champ was over a week ago. Billy stopped with your scribe, but while he was very glad to see me, I am inclined to think he came to see another. Good luck to you Louis. Very truly, W. T. SNOW.

Now is the Time

While sitting in his chair at his home in Elkhorn, Taylor county, Sidney Murray, aged seventy-seven years, fell over dead.

A negro guilty of criminal assault was killed by members of his own race in Mississippi.

A Little Known Fact.

That the majority of serious diseases originate in disorder of the kidneys. Foley's Kidney Cure is guaranteed. Try it to-day if you're not feeling well. C & J E Stormes. 1m

Look Before You Leap.

An exchange makes the following sensible suggestion, which should be heeded by the purchasing public: When you receive flattering announcements through catalogues, sent out by mammoth supply houses from distant cities, just step into the store of your local merchant and price the same articles that has attracted your attention in the catalogues. In most cases you will find it as cheap in price, oftener better in quality, and then you save express or freight, to say nothing of patronizing home industry.

RED CIRCLE PILL SPACE.

"THE SONG OF THE SHIRT"

Is not half as pathetic as the song of the poor woman who is eternally groaning under the weight of the agony common to her sex. We can't go in details here. She will find them together with the remedy in a box of Red Circle Pills.

ARE YOU SWEET?

Maybe you are too sweet. You are indeed if you have Diabetes. When your doctor tells you that you have it and that he cannot cure you, then take a Red Circle Pill every night until all the sugar disappears from your urine. It will cost you less than one visit from your doctor and will relieve you.

WHAT IS IT?

Bright's Disease we mean. Whatever it is people continue to die with it. You can be an exception to the rule if you want to. If you have any kidney left at all you can be cured. The Red Circle Pills will take the puffiness out of your eyes, the pain out of your back, the wax out of your complexion and the albumen out of your urine. Nature will do the rest.

EPILEPSY.

When Epilepsy is the result of some injury to the brain or spinal cord it may be safely asserted that the victim of the disease will forever remain a victim until death relieves his sufferings, unless the case be one that may be relieved by a surgical operation. But nine cases out of ten of Epilepsy are due to the results of a torpid liver. The Red Circle Pills always relieve torpid liver. Nature will do the rest. Sold at Stormes drug store and Frisbie's pharmacy.

Warrants were issued at Mt. Vernon by County Judge Williams against E. K. Wilson, now of Williamstown, and R. R. Ewell, of London, son of the Hon. R. L. Ewell, charging them with having tampered with the jury wheel used in the Circuit court at Mt. Vernon. Wilson was allowed bail of \$1,000, which he gave, to appear for trial next Friday. A special bailiff was sent to London to serve the warrant on Ewell.

Former Gov. Bradley and Judge Yost are working on an amended answer to be filed in the Taylor-Beckham case. A conference of attorneys for Taylor was called for last night.

We have saved many doctor bills since we began using Chamberlain's Cough Remedy in our home. We keep a bottle open all the time and whenever any of my family or myself begin to catch cold we begin to use the Cough Remedy, and as a result we never have to send away for a doctor and incur a large doctor bill, for Chamberlain's Cough Remedy never fails to cure. It is certainly a medicine of great merit and worth.—D. S. MEARLE, General Merchant and Farmer, Mattie, Bedford county, Pa. For sale by R. E. McRoberts' drugist. 1m

The United States Government has made a formal proffer of mediation to Great Britain for the purpose of ending the South African war, but Premier Salisbury has declined our offer with thanks.

My mother suffered with chronic diarrhoea for several months. She was attended by two physicians who at last pronounced her case hopeless. She procured one 25-cent bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and five doses gave her permanent relief. I take pleasure in recommending it as the best on the market.—Mrs. F. E. WATSON, Alken, Ala. Sold by R. E. McRoberts' Drugist. 1m

Robinson & Holtzclaw sold 24 sheep to R. E. Thompson for \$5.75 per head. J. H. Thompson sold some hogs to Rice Benge for 34c.

Hay is selling here at 65c.

Hugh Sargent, while trying to cross the river last week, had a narrow escape for his life. His wagon turned over and he waded out carrying two children in his arms. He was completely exhausted. One of his horses was drowned.

J. B. Hutchins is suffering intensely with a carbuncle on his face.... B. Y. Hobbs is somewhat improved since our last report.... J. J. Thompson is able to be out again.

There will be a protracted meeting at the Baptist church this week, and probably longer.

Wm Cummins of Rockcastle county is visiting his brother, Ucleu Flem Cummins this week.... Miss Gastinaugh, of Lancaster, is visiting friends here for a few days.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers' and grand mothers' never thought of using anything else for indigestion or Biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Greens' August Flower, in liquid form to make you satisfied there is nothing serious the matter with you. For sale by C & J E Stormes.

Secretary Wilson of the Trotting association, Lexington, wired to the Rev. Chas. R. Shelton, who is to run the Topeka Capital "as Christ would run it," offering him an ad. of the fall trots. Mr. Wilson has received no answer from Dr. Shelton yet.
